The following must be registered with the Secretary of State as a Scrap Metal Dealer:

- b. Those Dealers paying compensation for Scrap Metal Property during any quarterly period in the amount of Twenty-Five Thousand Dollars (\$25,000.00) or more; or
- c. Those Dealer/Processors paying compensation for Scrap Metal Property that has served its original economic life and who are engaged in the business of processing Scrap Metal Property by which that property is returned to or converted into a raw material product having an existing or potential economic value as a raw or finished material. Processing shall not include transporting or transferring Scrap Metal Property, but **shall** include any other function that facilitates the return of Scrap Metal Property into a raw material or raw material product consisting of proposed grades and having an existing or potential economic value.

203: FEES

- a. Electronic Registration and Recordkeeping:

Registration as a Scrap Metal Dealer may be completed by electronically submitting to the Secretary of State's Agent for Registration and Recordkeeping a Mississippi Metal Dealer/Dealer Processor Registration Form ("Registration Form"), which Registration Form is authorized by the Secretary of State and in use by the Agent.

Applicants and Scrap Metal Dealers shall keep An Accurate and Legible Record pursuant to the Act. Applicants and Scrap Metal Dealers may comply with the recordkeeping requirements of the Act by preparing a Scrap Metal Purchase Transaction Report ("Transaction Report") for each purchase transaction. The Transaction Report may be submitted electronically to the Agent, who shall keep and maintain all electronic records pursuant to the Act.

Copies of the Registration Form and Transaction Report will be made available on the Secretary of State's website. Further, any applicant or registrant may receive walk-in assistance at any office of the Secretary of State, the same being: 700 North Street, Jackson, MS 39202; 1701 24th Avenue, Gulfport, MS 39501; 330 West Jefferson Street, Tupelo, MS 38804.

Those Dealers identified in subsections 201(a) and 201(b) of the Rules who electronically submit their Registration Form **and** all Transaction Reports, shall submit to the Secretary's Agent a registration fee of Five Hundred Dollars (\$500.00).

Those Dealer/Processors identified in subsection 201(c) of the Rules who electronically submit their Registration form **and** all Transaction Reports, shall submit to the Secretary's Agent a fee of Two Thousand Dollars (\$2,000.00).

Paper copies of the Registration Form and Transaction Report may be obtained from the Division. Those individuals electing to submit a paper Registration Form in lieu of electronic filing through the Agent's computer program, shall file the paper Registration Form with the Division. Those electing to maintain paper records of the Transaction Reports in lieu of electronic filing, shall keep the Transaction Reports at the fixed location of the Scrap Metal Dealer pursuant to Emergency Rule 213. Those Dealers identified in subsections 201(a) and

201(b) of these Rules who complete the paper Registration Form and maintain paper copies of the Transaction Report, instead of electronically submitting these documents to the Agent, shall submit to the Division a registration fee of Seven Hundred Fifty Dollars (\$750.00). Those Dealer/Processors identified in subsection 201(c) of these Rules who complete the paper Registration Form and maintain paper records of the Transaction Report, shall submit to the Division a fee of Two Thousand Five Hundred Dollars (\$2,500.00).

A registration fee is good for two years from the date of registration, which date is reflected on the Certificate of Registration issued by the Secretary of State.

b. Separate Geographic Locations and Legal Entities

Each geographic location, and each separate legal entity, subsidiary and affiliate, of a Scrap Metal Dealer, must be independently registered to operate as a Scrap Metal Dealer by the submission of a separate Registration Form and fee. It is the responsibility of each Applicant, and each Scrap Metal Dealer, to ensure separate registration of its locations and its subsidiaries and affiliates.

205: CERTIFICATE OF REGISTRATION

Any individual seeking to register with the Secretary of State must, pursuant to the Act, submit a Registration Form to the Agent or the Division on forms authorized by the Secretary of State and made available on the Secretary of State's website. Assistance obtaining forms may be obtained by contacting the Division at 601-359-9055.

Upon submission of the appropriate Registration Form, each individual will be issued a registration number by the Agent or the Secretary of State and will be considered an Applicant to deal in Scrap Metal under the Act.

This provisional registration is subject to being denied or cancelled for the following violations of the Act and these Rules:

- a. The Secretary of State's inability to confirm receipt of the registration fee due to non-sufficient funds or other errors by Applicant;
- b. Submission of an incomplete Registration Form;
- c. Failure to satisfy the background history verification for registration as a Scrap Metal Dealer, pursuant to the Act; or,
- d. Other just cause as determined by the Secretary of State.

A finding of any of the above-listed reasons shall result in a denial of the Applicant's application for registration as a Scrap Metal Dealer.

Registration under the Act is confirmed with the issuance of a Certificate of Registration

by the Secretary of State. Registration shall become effective upon the date of registration reflected on the Certificate of Registration issued by the Secretary of State. The Certificate of Registration may be issued upon receipt by the Secretary of State of a completed Registration Form, confirmation of receipt of the required registration fee, and an assessment of the Applicant's qualifications to act as a Scrap Metal Dealer, including but not limited to a criminal background history verification as authorized by the Act.

All registrations, unless suspended or revoked, shall be effective for a period of two years from the date of registration reflected on the Certificate of Registration issued by the Secretary of State.

207: RENEWAL

The Certificate of Registration issued by the Secretary of State shall expire two years from the date of registration, which date is reflected on the Certificate. Those individuals seeking to renew their registration must re-apply pursuant to the Act and these Rules and submit the required registration fee.

209: TERMINATION OF REGISTRATION

A Scrap Metal Dealer may terminate registration by submitting to the Secretary of State a written Notice of Termination or a letter requesting termination. - b. A wallet-sized Registration Card.

A current Certificate of Registration issued by the Secretary of State shall be posted and displayed in a conspicuous place and in easy view of all who enter the office or fixed location of the Scrap Metal Dealer. A current Registration Card issued by the Secretary of State shall be provided by the dealer upon request of any individual in the scrap metal business acting within the scope of his business while said dealer is away from or outside of his office or fixed location.

213: RECORDKEEPING:

- a. All Applicants and Scrap Metal Dealers shall keep An Accurate and Legible Record pursuant to the Act. Applicants and Scrap Metal Dealers may comply with the

recordkeeping requirements of the Act by preparing a Scrap Metal Purchase Transaction Report (“Transaction Report”) for each purchase transaction. A copy of the Transaction Report will be made available on the Secretary of State’s website.

The Transaction Report may be submitted electronically to the Secretary of State’s Agent for Registration and Recordkeeping (“Agent”) by logging into the Agent’s website and completing the Transaction Report.

Applicants and Scrap Metal Dealers also may maintain paper records of the Transaction Report for each purchase transaction in lieu of electronic recordkeeping. Should the Applicant or Scrap Metal Dealer maintain paper records of the Transaction Reports instead of electronically submitting these documents to the Agent, the Applicant or Scrap Metal Dealer shall maintain each Transaction Report at his fixed location for no less than two (2) years from the date the Transaction Report was prepared. Such paper recordkeeping shall subject the Applicant or Scrap Metal Dealer to an increased registration fee pursuant to Emergency Rule 203(a).

b. Applicants and Scrap Metal Dealers shall ensure that each Transaction Report is completed in its entirety. This shall include having the seller of Metal Property provide written affirmation that the seller is the rightful owner of the Metal Property or is entitled to sell the property. Where the Metal Property being sold is HVAC equipment (including an air conditioner evaporator coil or condenser), this also shall include having the seller provide written certification that he is a locally licensed (or permit or privilege licensed) HVAC business or contractor. These written affirmations and certifications may be maintained through the use of the Daily Signature Sheet, which form is authorized by the Secretary of State pursuant to Emergency Rule 213(c).

c. **For both paper and electronic Registrants**, Applicants and Scrap Metal Dealers may comply with Rule 213(b) and the Act by maintaining a Daily Signature Sheet, which must be maintained by all Applicants and Scrap Metal Dealers at the corresponding location to be presented to law enforcement or Secretary of State personnel for inspection upon request. **The Daily Signature Sheet is not submitted to the Secretary of State or to the Agent.** A copy of the Secretary of State’s approved Daily Signature Sheet is available for download from the Agent, and from the Secretary of State’s website, for photocopying and use by Applicants and Scrap Metal Dealers.

d. Transactions between Scrap Metal Dealers (“dealer-to-dealer sales”) are not excluded from the recordkeeping requirements of Emergency Rule 213. Such recordkeeping is required even though The Three Day Hold Period applies only to the initial purchase of Metal Property by a registered Scrap Metal Dealer and does not apply to subsequent transactions involving that Metal Property between registered Scrap Metal Dealers. Nor are transactions involving the purchase of air conditioner evaporator coils or condensers excluded or exempt from the recordkeeping requirements of Emergency Rule 213.

215: REFUND POLICY

An Applicant may withdraw a Registration Form for a full refund of the registration fee,

by submitting written notice to the Mississippi Secretary of State, Metal Property Unit, 700 North Street, Jackson, MS 39202. Such notice must be postmarked no later than ten calendar days following submission of the registration application.

No portion of the registration fee will be returned to a registered Scrap Metal Dealer whose registration is suspended or revoked.

In the event a registered Scrap Metal Dealer withdraws or surrenders his Certificate of Registration, the registration fee shall be non-refundable and non-transferrable.
